Description on Calvert LSA	Earn a scholarship of \$500 towards college this year! Two students will be awarded the Michael A. Smith Memorial Scholarship. Michael was the hero in our family, as husband, dad, son, brother, uncle or simply Mr. Michael. He encouraged all of us to follow our dreams and gave us the love and support to create the personal courage to do so. Additionally, Michael challenged each of us to love more, laugh more, forgive more and judge less. We call it, <u>The Michael Challenge</u> ! Our family would like to follow in Michael's footsteps by offering this scholarship to help a promising young student fulfill their dreams through furthering their education. To be eligible, the prospective scholarship recipient must (1) pledge to take the Michael Challenge, (2) be from a single parent or blend family home and (3) write a 500-word essay, celebrating the hero in their family; including the "challenge" their hero has presented to them.
