<b>Description on Calvert LSA</b>	<p>(One [1], \$7,500/year, renewable over two years) The eligible applicant must enroll in the CSM Pathways to Engineering Program, maintain a 3.0 GPA, remain in good academic and disciplinary standing, provide grades and progress reports to TPP Chair with four weeks of each semester’s completion, must notify TPP scholarship coordinator of any changes in major or academic progress. If applicant is awarded scholarship and proceeds to change major to a field of study not approved by TPP, the recipient will have to reimburse TPP for total of scholarship funds remitted. The Patuxent Partnership will provide on behalf of the scholarship recipient an award of up to \$7,500 per year made payable to CSM and recipient, that will be applied only towards tuition, lab fees, and books. (Transportation costs may be considered by special request.) TPP will provide some assistance to the scholarship recipient with information about career relevant internship opportunities during the summer (internships are not guaranteed). And TPP will provide the recipient with a mentor (TPP Member) to assist in developing and implementing a career development plan. Upon graduation from CSM, the scholarship recipient will enroll in the University of Maryland Mechanical Engineering Program taught at the SMHEC.</p>
